Description

With a sleek exterior profile of carbon fibre and polished stainless steel, the 65 Sport Yacht balances the traditional with hi-tech to place emotion and performance at its heart.

The modular layout allows for a variety of specifications and enhancements, with space that adapts seamlessly to all kinds of socialising and adrenaline-seeking.

Take your Sport Yacht to new heights by carrying the tender on the bathing platform and reconfiguring the vacated space as a dedicated 'Beach Club' – with direct sea access, bar, fridge, BBQ, and free-standing seating. The perfect space for those happiest close to the water.

With speeds of up to 35 knots, the 65 Sport Yacht cuts an equally impressive figure on the open water. Taken all together, the experience is one of pure adrenaline, akin to driving a high performance convertible supercar and absolutely unique.

Accommodation

Three cabins – including a full beam master stateroom – accommodate up to six guests in luxurious comfort, with a fully appointed crew cabin located forward of the garage.
